If you have any questions regarding Lassen Municipal Utility District's (LMUD) Heat Pump/ AC Program, please call **503-257-4174** or toll free **1-888-257-5683**. LMUD currently offers rebates only for heat pump, central air conditioning and evaporative cooler models that meet the minimum efficiency levels and requirements below:

**Heat Pump:**

Type of System	Requirements	Rebate
Air-Source Heat Pump	Min. 8.2 HSPF	\$50 per Ton
Air-Source Heat Pump	Min. 8.5 HSPF	\$100 per Ton
Air-Source Heat Pump	Min. 9.0 HSPF	\$250 per Ton
Air-Source Heat Pump	Min. 9.5 HSPF	\$400 per Ton
Ground Source Heat Pump	Energy Star Rated	\$500 per Ton

**Air Conditioner:**

Type of System	Requirements	Rebate
Central AC	Min. 14.5 SEER	\$25 per Ton
Central AC	Min. 15.0 SEER	\$50 per Ton
Central AC	Min. 16.0 SEER	\$75 per Ton
Central AC	Min. 19.0 SEER	\$150 per Ton
Evaporative Cooled AC	Replacing a standard AC unit (less than 13.0 SEER)	\$175 per Ton

**Evaporative Cooler:**

Type of Equipment	Requirements	Rebate
Direct Evaporative Cooler	Replacing a split-system AC unit (less than 13.0 SEER)	\$150 per 1,000 sq.ft.
Direct/Indirect Evaporative Cooler	Replacing a split-system AC unit (less than 13.0 SEER)	\$200 per 1,000 sq.ft.
Indirect Evaporative Cooler	Replacing a split-system AC unit (less than 13.0 SEER)	\$75 per 1,000 sq.ft.

**Rebates for Evaporative Coolers shall not exceed \$400 per household**

**Note:** Total Heat Pump rebates are based on the "combined" heat pump and A/C rebate amounts, based on the HSPF and SEER rating of the heat pump installed. For example, a 3 ton heat pump with HSPF 8.5 and SEER 14.5 would be eligible for a \$375 rebate (\$100 x 3 + \$25 X 3).

**This rebate offer may be discontinued at any time by LMUD.**

**Terms and Conditions**

By signing this agreement, customer hereby acknowledges that he or she is familiar with, and agrees to, the standards regarding this program. LMUD reserves the right to inspect all installed appliances. Customer also certifies that the equipment was installed within LMUD's service territory. Customer agrees to release LMUD from any liability associated with the selection, installation, or operation of the equipment which was purchased under this program, and recognizes that in no way is the utility responsible for the safety or satisfactory performance of this equipment. LMUD will not accept any liability caused by customer's participation in this program. Once your heat pump has been reviewed, inspected and approved, you will be notified in writing. Please allow 8 - 10 weeks after notification of approval to receive your rebate.

**Customer Signature:** \_\_\_\_\_ **Date :** \_\_\_\_\_

**Submit a copy of your purchase receipt, warranty information and this completed form to:**

**Lassen Municipal Utility District  
Attn: Energy Efficiency Rebates  
65 South Roop Street  
Susanville, CA. 96130**

**Please allow 8 – 10 weeks for processing.**

**The implementation of your Energy Efficient project(s) may require City or County building permits. Before beginning your project please check with the Building and Planning Division at (530) 257-1000 (City) and 530-251-8269**
