Important Program Eligibility Information

- ◆ Single-family and multi-family residences must have a permanently installed central air conditioner or electric heat system capable of heating the entire dwelling.
- ◆ These weatherization rebates apply only to upgrades on existing homes, not new construction (if you are building a new home, ask Lassen Municipal Utility District about the SmartBuilt New Home program).
- ◆ Rebate funds for a given project will be held for 12 months only.
- ◆ Lassen Municipal Utility District reserves the right to inspect completed work. Rebates will be paid only on work that meets Lassen Municipal Utility District specifications.
- ◆ Receipts and invoices for all labor and materials are required for LMUD rebates.
