SUBJECT: Special Prevailing Wage Determination

MESSAGE

This is in response to your email to DIR requesting a special prevailing wage determination for an Advanced Metering Infrastructure project in Lassen County.

Pursuant to California Code of Regulations §16202, requests for special prevailing wage information must come from the awarding body and shall be submitted at least 45 days prior to the bid advertisement rate of the project for the craft(s), classification(s), or type of worker(s) not covered by a general determinations. If any call for bids has been made on this project, these rates will not apply and the General Prevailing Wage Determinations must be used.

Special Prevailing Wage Determination 2018-4 is attached.

In the absence of a special prevailing wage determination, the awarding body should refer to the Director's General Prevailing Wage Determinations. In addition, please note that any extension of renewal of this contract will require the issuance of either a new special prevailing wage determination or the use of the general prevailing wage determinations in effect on the date the contract is extended or renewed.

Please note that this special determination applies only to the project for which it was requested. This determination is being issued based upon information provided which indicates that the contract for this project has not been let or signed. If the contract is not signed and work is not scheduled to begin within twelve months, please contact the Office of the Director – Research Unit for updated special determinations.

If you have further questions regarding prevailing wage, please contact The Office of the Director – Research Unit at (415) 703-4774. You may also visit www.dir.ca.gov/OPRL/DPreWageDetermination.htm to obtain prevailing wage information.
