

Lassen Municipal Utility District’s ENERGY CONSERVATION ASSISTANCE PROGRAM (ECAP) was developed to provide assistance to income qualifying customers, while at the same time complying with the State of California’s energy conservation plan. This program is designed to be used by our customers in conjunction with the prudent and efficient use of electricity.

2016-17 ECAP GROSS INCOME GUIDELINES		
# Persons	Annual	Monthly
1	24,048	2,005
