

## Lassen Municipal Utility District Community Scholarship:

Are you attending a community college, trade-school, or university in the fall? Lassen Municipal Utility District may be able to help.

LMUD is offering two \$1,250 scholarships for high school seniors and one \$500 scholarship for returning college students, in a program designed to enhance the education and resulting careers of deserving local students.

Scholarships will be offered to students who primarily reside in a residence that is served by Lassen MUD. The program is open to all qualified students, however, preference will be given to students pursuing a career in the utility industry.

Complete the attached application and return it with a completed essay from one of the topics listed below and a resume detailing your goals, hobbies activities, awards and achievements, along with an official transcript to LMUD, ATTN: Scholarship Program, 65 S. Roop Street, Susanville, CA 96130.

Applications must be received by April 30, 2019.

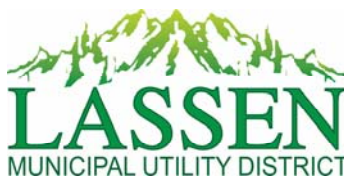

### Participation Requirements

1. Applicant must be at least a senior in high school by the fall of 2018 with no upper age limit. All students (seniors in high school, college students and graduate students) are encouraged to apply.
2. Applicant must be enrolled in, or planning to enroll in, an accredited educational or training institution of his or her choice.
3. To qualify the applicant or his/her parent/guardian (if under 18) must receive electric service from LMUD at their primary residence
4. Funds will be paid directly to an accredited educational/training institution beyond the high school level. No money will be paid directly to the recipient. Fund requests must be made within one year of the award. After one year funds will be forfeited.
5. Applications will be judged on the following:
  - \*Essay—40%
  - \*School and community involvement—20%
  - \*Scholastic achievement—40%.
6. Students applying for scholarships must have at least a 3.0 GPA and be in good standing. An official transcript must accompany the application.
7. The student cannot be a member of the immediate family of an employee, director, or manager of LMUD.
8. All entrants must complete a typed 500 to 1000 word essay chosen from the below essay topic list. The essay portion will be judged heavily on creativity and content with consideration given to grammar and spelling.

Applications can be obtained at the LMUD office located at 65 S Roop Street, Susanville CA, or can be downloaded at [www.lmud.org](http://www.lmud.org).

#### Essay Topic List:

1. Explain the benefits of Public Power compared to Investor-Owned utilities.
2. Describe the impact Public Power has had on rural communities such as Lassen County.
3. Going Green— how will utilities balance the need for reliable, affordable power, while increasing the amount of renewable energy to the grid?
