City Building Permits
Energy efficiency projects may require city building permits. Contact the City of Susanville (530-257-1000) or Lassen County Building and Planning Services (530-251-8269) prior to beginning work.

- Program Eligibility & Guidelines**
- Rebate(s) apply to upgrades on existing homes only. New construction does not qualify.
 - Installations required by Title 24 codes and standards are not eligible for rebate(s).
 - Air conditioning and heat pump rebates are based on AHRI rated cooling capacity (1 Ton =12,000 Btuh).
 - Seasonal Energy Efficiency Rating (SEER), Energy Efficiency Ratio (EER), and Heating Seasonal Performance Factor (HSPF) represent the efficiency ratings.
 - For questions regarding Lassen Municipal Utility District specifications, call 1-855-516-2105.

REBATE REQUIREMENTS AND AMOUNTS

Upon signing this agreement, customer acknowledges the following:

Lassen Municipal Utility District (LMUD) reserves the right to inspect completed work and installed energy efficient upgrade(s). Rebate(s) will be paid only on work that meets LMUD specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. LMUD disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use. LMUD will not accept any liability resulting from participation in this program. This rebate offer may be changed or discontinued at any time by LMUD.

I understand the above and certify that I am a customer of LMUD, that the energy efficient upgrade(s) are installed and operating at the location indicated and that this address is within LMUD service territory.

CUSTOMER SIGNATURE _____ **DATE** _____

Submit completed rebate application, copies of all invoices/receipts, and additional qualification information (if applicable) to:

rebate@esgroupllc.com
Lassen Municipal Utility District
Attn: Energy Efficiency Rebates
65 S. Roop St
Susanville, CA 96130

Rebate applications must be submitted within six (6) months of installation to qualify.

Allow 8 – 10 weeks for rebate processing.

Call 1-855-516-2105 to learn about additional energy efficiency programs.
